Exodus 23:16, “*And the feast of harvest, the firstfruits of thy labours, which thou hast sown in the field: and the feast of ingathering, [which is] in the end of the year, when thou hast gathered in thy labours out of the field.*”

It’s hard to believe, but 2018 only has one full day remaining. Tuesday begins 2019. Almost even harder to believe is that we are almost 1/5 of the way through the first century of the 2000s.

We have much we want to accomplish or finish by the end of each year. Most people close out their finances for the year and will prepare to do taxes in the next few weeks. Crops are finished and the harvest has been gathered. Attention now focuses on next year’s crop.

As we can see from the above verse, the Israelites gathered their crops at the ending of the year. No doubt many people used the end of the year to do certain things they wanted to accomplish. Regarding Absalom we are told in II Samuel 14:26, “*And when he polled his head, (for it was at every year's end that he polled [it]: because [the hair] was heavy on him, therefore he polled it:) he weighed the hair of his head at two hundred shekels after the king's weight.*” Absalom

only cut his hair each year, but he made it an activity at the end of the year.

The beginning of the year for the Israelites was during our March or April. This let them finish up tasks during the cold weather and be ready for spring and the warmth that would soon follow. There is something about the new year that makes us want to finish up major tasks and begin new ones.

This Tuesday is January 1, 2019. I’m sure many will resolve to do things beginning Tuesday that are somewhat of a challenge such as eating better, losing weight, etc. We should first and foremost resolve that we will do more for the LORD this coming year and every year that follows.

Attend every service. There will certainly be times we cannot attend due to sickness, but for the most part, those times are rare. You will only have 52 Sundays this year. If you miss one, you have already missed two percent of all the LORD’s days this year. When one is missed, it can never be made up. It’s gone forever.

Read the Bible every day. We spend so much time each day with television, social media, music, school, jobs, etc. How much time do we spend with the word of God? Whether you choose to actually read or listen to recordings, spend some time every day with the Bible. There is no better way that you can use your time.

Pray every day. Paul wrote three words in I Thessalonians 5:17. “*Pray without ceasing.*” He certainly does not intend for us to pray

every waking moment. We are to pray often and many times throughout the day. We are to pray before we eat, but we need to “pray without ceasing.” It needs to be constant and multiple times throughout the day. We should always call upon the LORD for all our needs. I think many often wait to pray for the “big” things such as recovering from an illness, safety on a long journey, etc.

We sometimes don’t want to “burden” the LORD with things we consider small. I Peter 5:7, “*Casting all your care upon him; for he careth for you.*” All our cares need to be cast upon the LORD. He cares for us and wants to help us with all our cares.

The new year will be the old year very quickly. When we come to the end of 2019, will we be closer to or further from the LORD? The answer to that is totally up to each of us individually. Paul asks in Romans 8:35, “*Who shall separate us from the love of Christ?*” In verse 39 he says, “Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.”

Paul gives a long list of what cannot separate us from the LORD. The only way that separation can come is if we ourselves do it. This

thought should give great comfort in knowing that no one, nor anything can separate us from the love of God. If we do leave the LORD, it’s we ourselves who do so.
