The Winter Olympics begin this week in Russia and I'm reminded of the Olympic air rifle competition in 2004. One of the Americans on his last shot needed only to hit the target to win the gold medal. He shot and hit near the bull's eye of the target, but lost. He shot well, but he hit the wrong target.

He said following this incident that he normally looked more closely at the targets to make sure he was shooting at the right one, but said he did not this time. He said he was thinking of other things and did not do his last minute check of the targets.

In obeying the Lord, many people strive to make sure they are doing all they can, but if they are not following what the Lord has commanded, they are aiming at the wrong target. We are told in Proverbs 14:12 and 16:25, *“There is a way which seemeth right unto a man, but the end thereof are the ways of death.”*

Even if we are aiming at the right target spiritually, we need to keep our minds focused and not take our eyes off the target, or we will miss.

Tonight ends the pro football season with the playing of the Super Bowl. Consider the following football terms as they relate to some people:

Half-Time— The break between Bible classes and the preaching portion.

Blitz— The rush for the door after the closing prayer.

Sudden Death— When the preacher goes five minutes over his normal time.

Back-Field Motion— Those in the back moving and talking during the sermon.

Huddle— The little groups we gather in following services that prevent us from greeting visitors.

Personal Foul— When the preacher says anything to offend me.

Clipping— Tearing down a person when their back is turned.

Time-Out— Leaving unnecessarily during the services.

2-Minute Warning— When the preacher begins his invitation signaling everyone to grab their song books.

Half Back— The number of people to return on Sunday evening.

Quarterback— The number of people to return on Wednesday evening. ❖

When we travel the highways of our nation, we cannot help but notice road signs every few feet. These signs contain valuable information for the traveler. Many signs contain life-saving information such as “Stop Ahead,” “Road Closed,” “Yield,” etc. To ignore or doubt the validity of such signs would be foolish, and possibly lead to serious personal injury or death.

The very same people who would not think of ignoring such highway information ignore something far more imperative—the warning “signs” in the Bible. The Bible is filled with warnings of destruction and eternal damnation to those who obey not the Lord. Do not wait to read the “signs” until it is too late.

It is foolish to doubt the truth in a man-made road sign. How much more foolish is it to doubt the warnings of an all-knowing and all-powerful God?
