## Your Sin Will Find You Out

**T**wo weeks ago our clocks were turned back one hour. Many commented to the effect that we received a free hour of sleep that night. We did have an extra hour with which to sleep, but it was not free. We will make up for it the first next March, when our clocks are moved ahead one hour thus paying for our “free” hour of last Sunday.

Many people feel the same way concerning sin. They engage in riotous living, see no immediate consequences, and thus feel their sins are free. After a while, some may even feel that the Lord just forgets sins as they fade in our memories. If sins are not forgiven, they are as fresh on our record as the day they were committed.

We need to realize our sins are not free of adverse results. It may take months or even years, but of a certainty, we will see the result of a sinful life. Note the words of Numbers 32:23, “. . . *and be sure your sin will find you out.*”

**O**n the front of your Bible or on the binding, you most likely will find the words, “Holy Bible.” The term “holy” is found in 544 verses of the King James Version and in 563 verses of the American Standard Version (1901). On the other end of the spectrum, the word “Bible” is not used once in the Bible. What is the meaning of this term, “Holy Bible?”

The word “holy” stirs images of righteousness, and being close to God. The Greek word translated “holy” is (hagios). That word means, “set apart to God or by God.” It is applied to something that is set apart for a special purpose. (Note— Often, the Greek term is translated “saints” in the New Testament.)

The word “bible” is an anglicized Greek word in that the English word is similar in form and sound to the Greek word. The Greek word (biblos) simply means “book.”

Therefore, the term “Holy Bible” simply means a book that is set apart by God. It is a book with a special purpose. What better term to describe the book that contains the very words and directives of the LORD himself. It is the book of all books. It is the Holy Bible.
