Exodus 30:34-35, “<sup>34</sup>And the LORD said unto Moses, Take unto thee sweet spices, stacte, and onycha, and galbanum; these sweet spices with pure frankincense: of each shall there be a like weight: <sup>35</sup>And thou shalt make it a perfume, a confection after the art of the apothecary, tempered together, pure and holy:

In the Old Testament the LORD commanded Moses to have a perfume made of a particular mixture. It was to be put in the testimony of the tabernacle. No one was allowed to make this particular mixture for themselves or anyone else. This particular fragrance was reserved for the tabernacle. If anyone made the same perfume, they were to be cut off from his people.

It’s interesting that the LORD chose to use an aroma as part of worship and laws of the Old Testament. The LORD certainly knows how powerful aromas can be. How often have you smelled a particular odor and it takes you back? It can be a smell that instantly takes you back to your childhood. It might be a memory of your mother because of a particular perfume she wore.

Smells are powerful and can transport us quickly to other places and times and invoke wonderful memories from times past. This time of year fragrances play such a major part of our lives as crops are harvested. Smells of wonderful food not only take us back but even enhance our appetite.

I know the LORD wanted people to be reminded of Him and their service to Him when they smelled this particular aroma. It was to be reserved for Him alone.

Even though we do not have anything comparable in our worship today in that we are to make a particular aroma, the thought is carried over to the New Testament. In II Corinthians 2:15 we are told, “*For we are unto God a sweet savour of Christ, in them that are saved, and in them that perish.*”

The sweet savour, or smell, that we have now is that we “smell” like Christ. It’s obviously not a physical smell, but we spiritually have the savour of Christ. We are like Him in our words, thoughts, and deeds. Not only does this savour rise up to God, but the savour goes to the saved and the lost as well.

We are told in verse 16 that to one it is the savour of death. To the other it is the savour of life. To the lost, we smell of death, that is eternal death if they do not come to the LORD. But to the saved we have the sweet aroma of eternal life. To have the savour of Jesus is a sweet and very pleasant smell. Ephesians 5:2, “*And walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweetsmelling savour.*”

Psalm 119:89, “*For ever, O LORD, thy word is settled in heaven.*”

One of the things I enjoy most about studying the Bible is that it never changes. Unlike other disciplines such as computer science or medicine, which change almost daily, the word of God is forever settled. It never changes. What I study and learn now applies today, next year, and forever. I love the feeling of learning more about the Bible and knowing it’s knowledge that will forever be and can never change.

Not only is the word of the LORD forever settled, but it’s settled in Heaven. It’s not settled upon Earth where men and sin are but in Heaven in the very dwelling place of God. The place where we after this life go to live eternally with the LORD and the redeemed.

## Bible Quiz

What does good like a medicine?

Last Week’s Answer— Ono (Nehemiah 6:2)

*...continued from previous page*

When John was writing to the elect lady in II John, verse two says, “*For the truth's sake, which dwelleth in us, and shall be with us for ever.*” The truth does dwell in us, and will be with us forever. I take great comfort in the fact that the word of God is forever settled and will forever be with us. Spend as much time as you can reading, learning and following the words of the Bible. They will forever be with us.
