Luke 12:13, “*And one of the company said unto him, Master, speak to my brother, that he divide the inheritance with me.*”

Jesus was approached by someone who was in the company of the people near him. I cannot think of anything more wonderful than to be in the company of Jesus. I know you, like me, can think of so many things you would love to ask Jesus if personally with Him.

Maybe you have questions about Heaven, creation, the Father, etc. There are so many things it would be wonderful to discuss with the LORD. I’m sure all of us have ailments that we would love to be able to ask Jesus in person to remove from us. Jesus never once turned down someone who asked Him to be healed from blindness, physical deformities, etc.

The man in the above verse was with Jesus personally and had Jesus’s attention. He could have asked Him anything that was in his heart. He choose to use this wonderful opportunity to ask Jesus to speak to his brother about dividing the inheritance.

What a wasted opportunity. He could have asked Jesus to heal him of anything that was ailing him. He could have asked what to do to be in Heaven. Jesus was with him, listening to him and he had an opportunity that any of us would have loved to have. Instead, he asked Jesus about a worldly, money matter.

Unlike those who asked for health, or what to do to inherit eternal life, Jesus denied this man’s request and instead chided him for covetness. What a lost opportunity to ask Jesus for something that really mattered and was eternal.

If we are not careful, we do the same thing. We might not be with Jesus in the flesh, but we know the LORD hears our prayers. We know that we can ask for health, wisdom, and do the things that lead us to eternal life. But so many focus only on the worldly things that quickly fade away and miss out on the wonderful opportunity the LORD places before us.

Let’s not get distracted by the cares and riches of this world and miss out on what the LORD offers us. He offers us eternal life and to ever be with Him in Heaven. Everything else pales and fades in comparison.

Matthew 6:19-21, “¹⁹*Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: ²⁰But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: ²¹For where your treasure is, there will your heart be also.*

Job 37:9-10a, “*9Out of the south cometh the whirlwind: and cold out of the north. 10By the breath of God frost is given...*”

The weather for us this time of year is exactly like described in the above verses in Job. Especially as November is near, whirlwinds are very possible and they come from the warm air and water to our south. Cold winter winds will soon be sweeping down from the northern states.

We are at the time of year we typically have our first frost. It usually occurs in October for our location but can occur in late September. Frost will happen off and on until Spring. Frost will kill many tender plants and end the growing season.

Bible Quiz

The enemies of Nehemiah asked to meet him in what plain?

Last Week's Answer— the hoary head (Proverbs 16:31)

We know that all these things will come to pass. It happens every year. When you see these weather events remember that the Bible years ago told us of these. When there is beautiful sparkling frost in the morning, remember that the breath of God has given it.
